

Amendments to the Drawings

The attached drawing sheets include two new drawing sheets. The new drawing sheets include FIGS. 12-13. FIGS. 12-13 are substantially copied from U.S. provisional patent application no. 60/557,230, entitled "ACTIVE, MULTIPLEXED DIGITAL NEURO ELECTRODES FOR EEG, ECG, EMG APPLICATIONS," filed March 29, 2004, to which the present application claims priority, and which the present application incorporated by reference.

Attachment: New Sheets (2 sheets)
